Dear Dr. MacLennan,

As President of the Society of Exploration Geophysicists, it is both a pleasure and a privilege to notify you that your paper *Using depth to surface resistivity for mapping CO<sub>2</sub>*, co-authored with Gregory Nieuwenhuis, Vivek Ramadoss, Mark Wilkinson, Paul Anderson, and Trevor Richards, received Honorable Mention in the category of Best Paper Presented at the SEG 2016 Annual Meeting. Your certificate is being prepared and will be mailed to you soon.

On behalf of the Society, congratulations on your excellent contribution to Annual Meeting Technical Program.

Sincerely,

A handwritten signature in black ink that reads "William L. Abriel". The signature is written in a cursive style and is underlined with a single horizontal stroke.
